**Submission to Treasury on draft Mineral Resource Rent Tax Repeal  
and Other Measures Bill 2013**

In this ASFA's second submission on the *Mineral Resource Rent Tax Repeal and Other Measures Bill 2013* ASFA reiterated its key concern around the delay in the SG increase and the abolition of the low income superannuation contribution (LISC).

ASFA is particularly concerned that the removal of the LISC will have an even more significant impact of the quality of retirement for many low income Australians, particularly women.
